OUR WARRANTY PROMISE

At Pentland we hope that you never have an issue with any piece of refrigeration or catering equipment you purchase from us, however we know that its not always that simple and a long standing warranty is a key part of a customers decision making process.

That's why in 2023 we are offering higher levels of warranty cover than ever before. We have increased the KoldBox **standard warranty to 2 years** across the entire range to re-enforce the confidence we have in this budget beating brand.

As always you will be able to choose at purchase as to whether you want full parts & labour warranty or parts only warranty, please note as standard our pricing structure offers full parts & labour warranty.

BACK BAR BOTTLE COOLERS

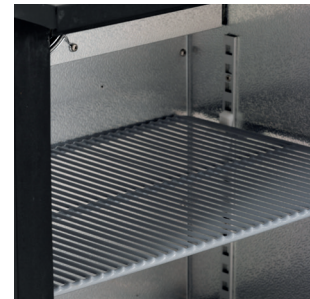

Low cost appliances shouldn't come at the price of quality and that's why our range of budget bottle coolers are not only bottom line friendly but built with the same great materials and processes you'd expect from top bottle cooling brands.

With our back to basics mindset when it comes to the depth of our product range you won't be overwhelmed by 100s of customisable options and instead make the simple choice of the number and type of doors you require!

Now available at a **NEW** discounted price and with **2 years warranty** as standard you'll struggle to justify any other choice.
