UPRIGHT LOCKABLE MULTI-DECK

UPRIGHT TIERED DISPLAY WITH LOCKABLE SHUTTER

When compromising on quality is not an option the Mafiol CRONUS range is the perfect solution for you. Built with high grade 304 stainless steel both internally and externally this premium unit comes with 4 adjustable shelves as standard not to mention the double lockable manual shutter to ensure your product is kept safe when not in direct use. The CRONUS range is intended for use for both general purpose refrigeration and fresh products such as dairy and meat and can be supplied in a custom RAL colour on special order request.
