

STORM50BT

Blizzard™

STORM THERMO-STOP DISHWASHER WITH BREAK TANK

A lot like its glass washing sibling the WRAS approved STORM-BT range offers unrivalled value for money with some outstanding features to suit. Fitted as standard with an integrated break tank, detachable spray arms, surface filters and more.

Although coming as standard with a gravity drain you can further the ease of use of the unit via the optional integral drain pump variant offering more flexible options when it comes to drainage and unit fitting options.

MODEL	PIECES / CYCLE	PLATE MAX DIAMETER (mm)	WATER USAGE	BASKET SIZE (mm)	DIMENSIONS (mm)	KWH/ ANNUM	POWER	WEIGHT (kg)
